

FAST CONFESSION

According to the word of God, I surrender to the finished works of the Lord Jesus Christ being founded and fashioned in Him!

My Mind is in the process of being transformed to know the good, acceptable, and perfect will of Father.

Old things that held me from walking in a relationship with the Godhead and following the will of God have no more ability to hold me.

I thank God for my parents, who produced this body that embodies my soul, giving me a legal place to dwell on the earth.

Since I'm born of God, it is my duty and pleasure to live my life unto and for him!

My eyes are now open to the fact that life and living belong to Jesus, who gave Himself for me.

Help me to never frustrate the heart and grace of God!

Lord Jesus, you have connected me to your life and name for the advancement of the kingdom.

Allow me to make a difference on earth and in heaven according to your divine will.

I charge the angels to support all of my kingdom efforts until I'm called home, or my Lord returns! AMEN!!!
