

## PRAYER FOR THE NATIONS

Lord, Why do the heathen rage, and the people imagine a vain thing? The kings and rulers of the earth take counsel together against you LORD, but there is NO one that can stand before you!!!

Father, you alone sit high in the heavens and laugh at the plans of the wicked. You bring all the plans of the evil to nothing. Only your plans for the Nations will come to fruition.

Father, we thank you for the nations. And we speak the blessings of God upon this nation and all nations throughout the earth because all nations belong to you. We declare your peace over the United State of America and all the nations of the world. We pray your peace would come and cause everything around it to be still. You are the mighty king and besides You, there is none other. While the heathens are raging, we make a dedication to bow to You and You alone. And as we bow to you, let it allow the heathens of the world to bow to You as well. We continually say that the earth is full of Your glory. We say again that the earth is full of Your glory. Thank you for allowing the peace and the presence of heaven to now come to this nation and all nations near and far. We say now that all of the nations must walk in their ordained purpose. From the foundations of the earth, you created the nations for Your glory. And we pray the nations will walk in the desires of Almighty God. Lord, You're the God that sits high and looks low and you laugh at the wicked plans of men. The only plans that will be successful, Lord are your plans. Lord, you told us to, so now we ask for the nations. We ask for the heathen. We ask that thy will be done on earth as it is in heaven. Lord, we ask that you will turn us and the nation back to you. Turn us, Oh God and we shall be turned. We thank you that the Kings and Judges of the earth have the desire to serve you for the abundance of ALL THINGS!!!.

Blessed are all they that put their trust in YOU.

AMEN
