

## **Divine Benefits Prayer**

We praise you, Father God, for your name is excellent in every way! You are more just than millions and 10 million, millions. We revere and love you as our God and savior with every fiber of our being.

We are grateful that you sent your Son, JESUS, to stand the gap for all of humanity. JESUS is the word made flesh. Lord JESUS, you have filled our hearts to overflowing with gratitude and worship for keeping the will of the Father by laying down your life for us.

Then, for us to fully benefit from Your sacrifice, You sent the Holy Spirit here to guide us into all truth.

**JESUS IS THE HEAD OF THE BODY OF CHRIST!**

Therefore, we own all that transpired due to Israel's exodus from Egypt. Thus, by JESUS' willful giving of HIS life, we can reach out and receive what is rightfully ours.

The things that are bad right now and preventing us from enjoying GOD's delight and advantages have to go. **IN THE NAME OF JESUS!**

All the natural and spiritual blessings that have already been applied to our accounts, both accessed and un-accessed, must manifest now. **IN THE NAME OF JESUS!**

We are free and successful children of GOD who can free others from the shackles of this world's system! **IN THE NAME OF JESUS!**

Therefore, we celebrate through praise and adoration! Thank You, Lord!

Amen!!
