My New Life!!!!

Start with the date!

This August ____ 2024, I decide to give up my current way of life and adopt level 10 kingdom living!

**Immediately, every aspect of my existence on this planet, which I name earth,
will start working in my favor to help me achieve my Level 10 goal!**

**I shall now create plans for my life, just like an architect would for a building project.
I won't omit anything to save a few seconds of writing time.**

**Since the Father wrote all about His Son Jesus before He was born,
I am following His lead in accomplishing this life task.**

**Because it was waiting for Him in the writings,
Jesus was able to read and comprehend what was to be done!**

**Father lead my writings as you did the men who penned the word of God!
So, I will be able to follow and accomplish all that I write about my life!**

Thank You and Amen!
